Mr. Hou:

The United States filed a letter with the Court this morning asking to extend the temporary restraining order by 14 days and to adjourn the hearing scheduled for this Thursday, and related deadlines, for 14 days. The Court denied our request and has set this Thursday's hearing as a videoconference. The Court ordered us to send you, via email, our letter and the Court's order. These documents are attached, along with the Zoom videoconference information.

Please confirm receipt of this message and the attachments.

Regards,

Logan
